

Information Organizer for the Happy Camper WebQuest

This Information Organizer is designed to help you collect and organize your research and ideas as you go through the WebQuest.

	Assignment 1	Assignment 2
Research		
General Information on National Parks	Find out in which state the four National Parks are located and record it in your journal. Keep notes on things you find interesting in your journal.	Write 5 interesting facts in your journal.
Weather	Record three facts about climate and temperatures in your journal.	Extra: Look at Webcams and Weather Forecast websites
Campgrounds	Answer five questions and record them in your journal.	
Games and Activities	Complete four different activities and keep printouts in your journal.	
Decision	Write 2-3 paragraphs on your reasons for choosing a National Park as your favorite in your journal.	
Roles		
Camp-Set-Up-Planner	Write a checklist with 15 necessary items for setting up a camp, using Microsoft Word.	Describe three things to consider when setting up a campsite, using Microsoft Word.
Safety-Planner	Write a checklist with 15 items to ensure the safety of team-mates, using Microsoft Word.	Write three guidelines to minimize risk when camping, using Microsoft Word.
Activity-Planner	Write a checklist with 15 items to bring for outdoor activities, using Microsoft Word.	Describe three activities to do on camping trip, using Microsoft Word.
Camp-Cook	Write a checklist with 15 items for cooking needs, using Microsoft Word.	Describe three meals to prepare on camping trip, using Microsoft Word.
Camping and Activity Guide		
	Prepare a Power Point Presentation with a minimum of 12 slides summarizing your research and camping preparations.
